Hook

Let me in your world
I wanna be your girl
You give me that fuck me high
You give me that fuck me high
Damn you feel so right
You give me that fuck me high
You give me that fuck me high

Your ora turns me on an on and on and on
Stand right there
The way you bite them lips
Them tattoos on yo neck
Ooo stand right there
Everything about you makes me zone into a high
IÂ'm bitter sweet around you just until I make you mine
Every time IÂ'm around you
I get this fuck me high
IÂ'm bitter sweet around you just until I make you mine

Hook

You are perfect from head to toe
There's some things I'd like to do
If you only knew
Oh in my dreams I can feel you run up my thighs
Oh I fantasize about you each day and night
Everything about you makes me zone into a high
IÂ'm bitter sweet around you just until I make you mine
Every time IÂ'm around you
I get this fuck me high
IÂ'm bitter sweet around you just until I make you mine

Hook

Que me baiser haute (that fuck me high)
Baiser haute
Ah Que me
Que me baiser haute
Baiser haute
Ah Que me

Que me baiser haute (that fuck me high)
Baiser haute
Ah Que me
Que me baiser haute
Baiser haute
Ah Que me
