Pussy got you whipped
Ya my slave boy
Pussy got you whipped
Ya my slave boy
Ya Whipped
Ya Whipped
Ya Whipped
Ya Whipped Boy
Pussy got you whipped
Ya my slave boy
Pussy got you whipped
Ya my slave boy
Ya Whipped
Ya Whipped
Ya Whipped
Ya Whipped Boy

Pussy got you whipped
Ya my slave boy
Like a G.I. Joe Tonka Truck
You my boy toy
Beat Beat Beat Beat it like the bass boy
Rumpa pump um
You my drummer boy
He want that cake doing 100 miles in the rove
In a hurry in a scurry going loco
Psycho wanna hit it on the cycle
Got him rapping about it every verse he do

On chains
Got ya boy on locked
Hooked on me
Thinks about it non stop
Whipped 16x
On chains
Got ya boy on locked
Hooked on me
Thinks about it non stop
Whipped 16x

Pussy got you whipped like a slave boy
got yah boy on smash
Got ya head head spin spinning like a bboy
Mind set had a plan, now you reachin for it
Gave it to him real good so now you craving for it
Dependant on the pussy
Yea itâ€™s habit forming
Got him trippin outta state canâ€™t walk straight
Heâ€™ll do any and everything for a quick taste

On chains
Got ya boy on locked
Hooked on me
Thinks about it non stop
Whipped 15x
On chains
Got ya boy on locked
Hooked on me
Thinks about it non stop
Whipped 15x
