Hook
Who Am I
Who Am I
Everything your heart desires
(But) multiplied
Who Am I
Who Am I
Everything you desire
(But) multiplied

They say love hurts
That love is overrated
If I taught you how to love
You'd be in awe of
To tell me I'm the one
Would be an understatement
Because words cannot describe
How I will make you feel inside
You looking for her
I'm right here
Treat like the king that you are, you top tier
Your secrets are safe with me
Have no fear

I'll make you feel special like it's your first time
Over and over again

A breathe of fresh air, a work of art
I be ya driving force
Ya push to start

I'll do anything for ya
Take the pain away from ya
Anything for you
I'll take the pain away from ya

Qui suis-je (Devyn is part French so this means "Who Am I" in English)
Qui suis-je
Qui suis-je

Damaged like you been hit with a ton of bricks
You cold as a winter storm
I could be your quick fix
Teach you how to trust again
Unfamiliar feeling
Give it some time and you'll get used to it
I'll make it feel special like it's your first time over
and over again
Over and over and over and over and over and over
again
Don't be afraid boy, don't be afraid boy open up, let
me in
I won't let you I won't let you fall, I will help you win,
yea
