Ohh Ohh You're Running Out Of Reasons (X2)
Shut It Out,
What You Heard About,
What You Heard About Me,
They Say I'm Rough, Raw, Loud
But, They Don't Know Nothing,
Not A Thing About Me,
So Tear Up That List Of Things You Wrote Down,
Wrote Down, Of Why You Can Never Be With Me Now,
Not Now, I Know Where You Want To Be,
You Want To Say No No,
It Ain't Gonna Work,
But Then You Fumble Your Words,
Oooh, You're Running Out Of Reason,
Go Go, Tell All Of Your Lies,
But Why Are Your Lips On Mine,
Whoaa, You're Running Out Of Reason,
Just Let The Fire Burn, Burn, Girl,
Somethings You Can't Unlearn, Unlearn, So,
Fall,Fall, Let It All Go,
Fess Up, You Already Know,
Ooh, You're Running Out Of Reason,
Stand Right Here,
You'll Never Get Nowhere,
When You Run Like You Do,Like You Do,
It's No No Fair,
I'm Sure That Your Secrets Out,
Everyone Sees Right Through You,
So Tear Up That List Of Things You Wrote Down,
Wrote Down, Of Why You Can Never Be With Me Now,
Not Now, I Know Where You Want To Be,
You Want To Say No No,
We Ain't Gonna Work,
But Then You Fumble Your Words,
Oooh, You're Running Out Of Reason,
Go Go, Tell All Of Your Lies,
But Why Are Your Lips On Mine,
Whoaa, You're Running Out Of Reason,
Just Let The Fire Burn, Burn, Girl,
Somethings You Can't Unlearn, Unlearn, So,
Fall,Fall, Let It All Go,
Fess Up, You Already Know,

Ooh, You're Running Out Of Reason,
There Never Was, Never Was,
A Bad Time, To Love Somebody,
So Love Me Baby, Yeah,
There Never Was, Never Was,
A Better, Feeling Than Just Saying Yeah, Yeah
You Want To Say No No,
We Ain't Gonna Work,
But Then You Fumble Your Words,
Oooh, You're Running Out Of Reason,
Go Go, Tell All Of Your Lies,
But Why Are Your Lips On Mine,
Whoaa, You're Running Out Of Reason,
Just Let The Fire Burn, Burn, Girl,
Somethings You Can't Unlearn, Unlearn, So,
Fall, Fall, Let It All Go,
Fess Up, You Already Know,
Ooh, You're Running Out Of Reason,
Never Was, Never Was A Bad Time
To Love Somebody, So Love Me Baby Yeah
Never Was, Never Was A Bad Time
Feeling All The Same Yeah, Ye Yeah.
You Want To Say No No,
We Ain't Gonna Work,
But Then You Fumble Your Words,
Oooh, You're Running Out Of Reasons,
Go Go, Tell All Of Your Lies,
But Why Are Your Lips On Mine,
Whoaa, You're Running Out Of Reason,
Just Let The Fire Burn, Burn, Girl,
Somethings You Can't Unlearn, Unlearn, So,
Fall, Fall, Let It All Go,
Fess Up, You Already Know,
Ooh, You're Running Out Of Reasons,.
