I need to get some things off my chest

I may be young but I still go through things

If you could see through my eyes, you would probably
be surprised

I know that I'm just a young girl, but I still have problems
in this world

I wake up just like you

I walk miles in my shoes

And I wanna give up too, but I learned

What doesn't kill me, it makes me stronger

And I won't give up until it's over

I'm ready for a fight (1, 2 " 1, 2 knock out " punch)

I'm ready for a fight (1, 2 " 1, 2 knock out " punch)

I'm a fighter (yeah)

I'm a fighter (yeah)

I'm a fighter (I'ma keep fighting)

I'm a fighter (yeah)

I'm a fighter (yeah)

I'm a fighter (I'ma keep fighting)

Nobody knows my struggles

And how it would be much easier to just let go

'Cause I could see the pain and hurt in their eyes

It's the same pain and hurt that helps me to survive

I wake up just like you

I walk miles in my shoes

And I wanna give up too, but I learned

What doesn't kill me, it makes me stronger

And I won't give up until it's over

I'm ready for a fight (1, 2 " 1, 2 knock out " punch)

I'm ready for a fight (1, 2 " 1, 2 knock out " punch)

I'm a fighter (yeah)

I'm a fighter (yeah)

I'm a fighter (I'ma keep fighting)

I'm a fighter (yeah)

I'm a fighter (yeah)

I'm a fighter (I'ma keep fighting)

I know, sometimes, there seems that there's no light

But if you keep on believing

Hold on, be strong, believe in you

We'll see that you will be free, 'cause!

What doesn't kill me, it makes me stronger

And I won't give up until it's over

I'm ready for a fight (1, 2 " 1, 2 knock out " punch)

I'm ready for a fight (1, 2 " 1, 2 knock out " punch)

I'm a fighter (yeah)

I'm a fighter (yeah)

I'm a fighter (I'ma keep fighting)

I'm a fighter (yeah)

I'm a fighter (yeah)

I'm a fighter (I'ma keep fighting)
