You were the one for me, the only.
And I miss a farewell kiss from you.
I can't believe in lucky stories,
Since there has been one: about me and you.

Don't try to catch me, don't say sweet words.
What's going on? I don't understand.
How are you gonna live in this world?
We have no more love, just the end.

Chorus:

I, I,
I need you there.
And I still love you.
But I'm not your friend.
And I'm not your friend.
My soul,
My soul needs time.
I will make you go and forget your love,
But I can't get over mine.

Where are you now? I hardly know...
Nor have I any chance to find.
There's no point in doing so, though you hope,
That I wanna see your charming smile.

Chorus:

I, I,
I need you there.
And I still love you.
But I'm not your friend.
But I'm not your friend.
My soul,
My soul needs time.
I will make you go and forget your love,
But I can't get over mine.
