Since you broke up with me baby, I go out every night
And I spend all of my money, on whatever I like
Since you broke up with me baby
Since you broke up with me baby

And I tell all of my friends I am doing okay
It's been exactly two months, I've been counting the
days
Since you broke up with me baby
Since you broke up with me baby

I wish I'd never met you, Im trying to forget you
Still I can't just let go,go,go
Im running off the track boy, and everything is black
boy
I wanna have you back boy, boy, yeah

I've tried to erase you
I've tried to replace you
But I can't get you outta my head
My hearts torn to pieces, and I'm such a mess
I can't get you outta my head
Outta my head, outta my head
Outta my head, outta my head

Since you broke up with me baby, I know i drink too
much
I'd give you all of my money just to feel your touch
I'd give you all of my money
I'd give you all of my money

I wish I'd never met you, Im trying to forget you
Still I just can't let go,go,go
Im running off the track boy, and everything is black
boy
I wanna have you back boy, boy, yeah

I've tried to erase you
I've tried to replace you
But I can't get you outta my head
My hearts torn to pieces, and I'm such a mess
I can't get you outta my head

Outta my head, outta my head
Outta my head, outta my head
Outta my head, outta my head
Outta my head, outta my head

You're the only one
So tell me what to do
You're the only one
You're the only one
No one compares to you
You're the only one
You're the only one

I've tried to erase you, I've tried to replace you
But I can't get you outta my head
My hearts torn to pieces, and I'm such a mess
I can't get you outta my head

Outta my head, outta my head
Outta my head, outta my head
Outta my head, outta my head..
