"Confrontation"

Jesus Christ was a very kind man
He have His life for all our sins
Did He have to?
I guess He had to

Abe Lincoln was a very brave man
He took a chance and freed the slaves
Did he have to?
I guess he had to

Do you believe in me?
Do you believe in me?
'Cause if you don't, I'm gonna leave you
If you don't, I'm gonna leave you

Superman was a very strong man
He risked his life with kryptonite
Did he have to?
I guess he had to

Robin Hood was a generous man
Stole from the rich, fed the poor
Did he have to?
I guess he had to

Do you believe in me?
'Cause if you don't, I'm gonna leave you
