on and on and on and
on and on and on
how long can this keep going
on and on and on and
on and on and on and

so here we go again
the story never ends
once more my backup plan
has turned its back again

Im feeling so confused
and I am really not amused

cause it goes
on and on and on and
on and on and on and on
how long can this keep going
on and on and on and
on and on and on and

sit back and just relax
the jury's got your back
salvation in a dress
the prosecution rests

yeah maybe I'm possessed
cause I'm feelin' so depressed

cause it goes
on and on and on and
on and on and on and on
how long can this keep going
on and on and on and
on and on and on and on

time's passing in my room
it's looking like I'm pulling through
it's thirty-one days without you
amazing what one kiss can do
look at what you put me through
