In a language learnt when no-one was listening
I tried my best to tell you how I feel.
Somehow I am sure and this I believe in
this is real.

From my heart I sing to you and I'm hoping
that you'll understand what I'm trying to say.
You found a place inside of me and I'm grateful
for each day.

A broken wing can not stop me from flying.
I leave no footprints when you're around.
Know yourself, you said, and you made me so proud of
what I found.

Oh, my god, I'm losing it
I'm finally going out of it.
My senses tingle, I can hardly breathe.

Oh my god, I'm losing it
I'm finally going out of it
I feel my heart, I'm suddenly alive.

Thank you
Thank you for the world, the world, the world
Thank you for the life you're making me see
Inside of me.

The book is open now and the pen keeps on writing
the story of my life; it starts right here.
Now I reach the stars, can grab them and hold them
with no fear.

I am captivated, completely spellbound.
I have found my match.
And the blackbird has flown away

the blackbird has left me for good.

Oh my god, I'm losing it
I'm finally going out of it
My senses tingle, I can hardly breathe.

Oh my god, I'm losing it
I'm finally going out of it
I feel my heart, I'm suddenly alive

Thank you
Thank you for the world, the world, the world
Thank you for the life you're making me see
Inside of me.

Thank you
Thank you for the world, the world, the world
Thank you for the life you're making me see
Inside of me.

Thank you
Thank you for the world, the world, the world
Thank you for the life you're making me see
Inside of me.
