on time for another meal
my love, my life
it's time to draw the straw
it doesn't matter what I get
they're long gone

see your teeth spent on good things
that kill your frenzy
I'll be here if you want me to
I'll be here
and you'll find me swimming in my blood
still searching
I'll be dead if you need me to
I'll be dead

it's time for another reel
no sound, no tears
let's stop and think this through
I am swimming in circles here
around you

and I run and I run and I run
just to find any trace
and I run and I run and I run
it's the thrill of the chase
