Iâ€™VE BEEN FLYING LOW THROUGH GREEN TREES
they say THERE'S STILL HOPE if you THINK DEEPLY
USE MY POWERS NOT TO GET WEAK ///
starting to think that we may have found something

HEY DON'T BACK DOWN, DIP YOUR FINGERTIPS IN LOVE
THE UNIVERSE IS ready, LISTENING, SO JUST DREAM

Repeat STRUGGLE, Grab hold the controls
ReThink strategies still lying LOW LOW LOW

stretch out my thoughts for inner truth
just dream just love just dream just love
IT'S in MY NATURE, IT's in my nature
just dream just love just dream just love

STARTED FROM NOTHING
STARTED FROM NOTHING
STARTED FROM NOTHING
JUST A DREAM I HAD

I Create, Create for peace of mind
wait until they hear my new idea.
they say THERE'S STILL HOPE, THINK DEEPLY ABOUT
Love in you, in me, in our babies...

You, hold up, dip your fingertips in, don't back down,
the universe is READY...

Repeat STRUGGLE, Grab hold the controls
ReThink strategies still lying LOW, HERE WE GO AGAIN
NOW
bucking along always fight back - here we go again

Just dream just love just dream just love
stretch out my thoughts for inner truth
just dream just love just dream just love
IT'S in MY NATURE, IT's in my nature
just dream just love just dream just love

STARTED FROM NOTHING

STARTED FROM NOTHING
STARTED FROM NOTHING
JUST A DREAM I HAD

THEY SAY THERE'S STILL HOPE, THINK DEEPLY ABOUT
LOVE
not to get too week, i think we may havE FOUND
SOMETHING,
DREAM IN LOVE
