Verse 1

You had broken puzzle pieces in your hand
With the other you clutched at the falling sand
Running through like the time that you demand
Now you wanna stand up, act like the big man

Bridge

So stand your ground now
Come take my hand now
Look what i found now
Perfection in you
x2

Chorus

Oh beg my pardon
Excuse me what i've done
Uh-oh, i'm above you this time
Oh beg my pardon
Cus' you have been out-run
So find a pen to draw the line
Draw the line

Verse 2

You run faster than i thought you ever could
You want me to turn out just like you said i should
You take away more than i thought you ever would
And you still say that i should just give up

Bridge

So stand your ground now
Come take my hand now
Look what i found now
Perfection in you
x2

Chorus

Oh beg my pardon
Excuse me what i've done
Uh-oh, i'm above you this time
Oh beg my pardon
Cus' you have been out-run
So find a pen to draw the line
Draw the line

(Instrumental)

Chorus x 2

Oh beg my pardon
Excuse me what i've done
Uh-oh, i'm above you this time
Oh beg my pardon
Cus' you have been out-run
So find a pen to draw the line
Draw the line
