Verse 1

Whoa
I'm telling you now
You should try to talk before you shout
We had it all before we found
That the only thing anyone wanted was more

Verse 2

We exceeded everyone
We would have pleaded to have won
We can look back on what we've done
And say that we know that we've gone and done it all

Chorus

Never answer again
Not to anyone
(whoa whoa, whoa whoa)
This road is all you'll have
All you'll ever know
(whoa whoa, whoa whoa)
I hope you realise i wont let this go
(whoa whoa, whoa whoa)
And now you're off the rails
Your stupid ship has sailed
(whoa whoa)
I'm letting go

(We did it all)

Verse 3

We had it all
But you can't buy us with a win full
If you don't give us what we want
Then we'll push it right back
Cus' we're in for the long run
(the long run)

Chorus

Never answer again
Not to anyone
(whoa whoa, whoa whoa)
This road is all you'll have
All you'll ever know
(whoa whoa, whoa whoa)
I hope you realise i wont let this go
(whoa whoa, whoa whoa)
And now you're off the rails
Your stupid ship has sailed
(whoa whoa)
I'm letting go

Whoa whoa, we had it all
Whoa whoa, we had it all

Chorus

Never answer again
Not to anyone
(whoa whoa, whoa whoa)
This road is all you'll have
All you'll ever know
(whoa whoa, whoa whoa)
I hope you realise i won't let this go
(whoa whoa, whoa whoa)
And now you're off the rails
Your stupid ship has sailed
(whoa whoa)
I'm letting go
