I know you're smart, you spin me round like a knot
You know the pieces, pieces of my heart
Sometimes it's fun, you pull my strings one by one
Until you get me, get me onto one

Lately I've been thinking if you wanna get tough
Then lets play rough
Lately I've been thinking if you wanna get tough
Then lets play rough

I don't need you, giving it straight to me
Giving it straight to me
You're just gonna get my back
I don't need you, telling me how to be
Telling me how to be
just gonna get my back, just gonna get my back
just gonna get my back, just gonna get my back
just gonna get my back
back, back, back, back, back, back

Just noise, white noise
Just noise, white noise
I'm hearing static
You're like an automatic
You just wanna keep me on repeat and hear me crying
Just noise, white noise,
Just noise, white noise
I'm hearing static, you're like an automatic
You just wanna keep me on repeat
And hear me crying

Funny you, can look at me the way you do
You always tint me, tint me black and blue
Such a shame, you frame me with such distaint
You got me washed out, washed out
Colour drained

Lately I've been thinking if you wanna get tough
Then lets play rough
Lately I've been thinking if you wanna get tough
Then lets play rough

I don't need you, giving it straight to me
Giving it straight to me
You're just gonna get my back
I don't need you, telling me how to be
Telling me how to be
just gonna get my back, just gonna get my back
just gonna get my back, just gonna get my back
just gonna get my back
back, back, back, back, back, back

Just noise, white noise
Just noise, white noise
I'm hearing static
You're like an automatic
You just wanna keep me on repeat and hear me crying
Just noise, white noise,
Just noise, white noise
I'm hearing static, you're like an automatic
You just wanna keep me on repeat
And hear me crying

All I'm hearing, all I'm hearing
All I'm hearing, all I'm hearing
All I'm hearing, all I'm hearing
All I'm hearing, all I'm hearing

Just noise, white noise,
Just noise, white noise
I'm hearing static, you're like an automatic
You just wanna keep me on repeat
And hear me crying
Just noise, white noise,
Just noise, white noise
I'm hearing static, you're like an automatic
You just wanna keep me on repeat
And hear me crying.
And hear me crying.
And hear me crying.
