â€Ž5 minutes

You lied to  
Me!!!  
Like you always  
Did

\*you went behind me fucken blindly and shot me down  
\*you fucken got me baby, and this is crazy but

Fuck you!!!!

\*you seem to thrive on ruining lives that you dont care  
about  
\*and what is sad is that you have a hatred thats  
burning out.  
\*your beauty burns through me and burdens me  
everyday!  
\*hope that you stop leaving and stop killing me in every  
way!

You were all i wanted!!!  
You were the woman i flaunted!

You were the only thing keepin me smiling!  
And now i'd love to see your crying!

I feel this distance between us. I know you hate this.  
I made mistakes i cant take back

If you were here in 5 minutes, would it be soon enough
