Can you feel the tension in the air?
Assuring you once again I'm there
'Cause you break my trust, you break my heart
I'll break your fall
Your fall
So I lied,
Don't say you've done the same without a smile upon
your face
'Cause once you've but tasted of this fruit that lay,
A serpent's swayed your ways
Which brings me to my next thought,
Walk these roads as crooked as they be
So I lied, and so we lie
Can you feel the tension in the air?
Assuring you once again I'm there
'Cause you break my trust, you break my heart
I break your fall
And so I lie,
This time I face the sky without a smile, without a trace.
I don't just see blue I choose to.
With still no sign of you.
Which brings me to my next thought,
Don't be fooled by the cunning ways of the truth.
And so I lied, and so we lie.
Weakened knees,
Belong to those who find it hard to believe,
But so intrigued.
By the thought of someone, somehow, meeting their
needs
By the thought of someone, somewhere, meeting our
needs.
Without tension in the air
Assuring you once again I'm there
You break my trust, you break my heart
I break your fall
Your fall
Your fall
Your fall
But can you feel the tension in the air?
Assuring you once again I'm there
'Cause you break my trust, you break my heart
I'll break your fall

(You break my trust) your fall (so I lied)
(You break my heart) your fall (so I lied)
Now break your fall
Your fall
