Bright lines, shines weâ€™™ ve got
Shot from the stars like golden sun
Brooklyn know, Brissyâ€™™ on top
We do our thang and in truth we stand
Holla holla amma spill this the way that I know
Fiddle a lil with my pencil itâ€™™ s my pay on the go
Huh! You tâ€™™ ink we wankinâ€™™ ? Tâ€™™ ink we
trâ€™™ appinâ€™™ ?
Tâ€™™ ink all the connexionz we jus bluffinâ€™™ ?
This a notion full of devotion
This niggaraâ€™™ z so devoted it becomes an illusion
Sometimes I stand back at the edge
View the world passinâ€™™ man lâ€™™ m so blessed.
All the dimes
All the links I link
All the souls I inspire to make em rich
Feel me cominâ€™™ like a rocket
Like a NASA KID from the Mars &
When I flow, the devil goes WoW
Couldnâ€™™ t believe me to pop â€™™ roll
And in the end I take my stands and end witâ€™™ a bow
You know it when I come back home
Holla!

Take One, cameras, Snapshots and Limoz
Some are of Yakuziâ€™™ s but we of Kimotoâ€™™ s
Nimoto
Bios Na Logos believe me
We do this (this) to find solutions
Leading characters on the spheres of the galaxy
Analysinâ€™™ the truth operatinâ€™™ it like Anatomy
Head over heels we stand our grounds
Ainâ€™™ t no better time to pass than chillinâ€™™
Da Right x2
Na na Na Nga nga
We wa wa and go Wild
We so fly
On top of that we flow fine
We go high, get high & sometimes we even spill it right
Tryinna reverse the game, how you willing to bet that
youâ€™™ ll keep the die on a Six
Yo, I donâ€™™ t forget thoâ€™™ where I came from

Flow after flow
Satisfaction for the lost to come home have peace and
stay so warm
Them feel again, long after walk man, them say, man
this flowâ€™ s Hawt*
