Intro beat:

Verse 1

I have been walking for miles and days  
My feet are hurting I'm in sores I'm in pain  
Life is a journey; this I've come to see  
Laughter is history in captivity  
Will you hold me now?  
Will you call me your own?  
I don't wanna go anymore  
I don't wanna be a lost cause

Chorus 1:

Will you hear me?  
Will you save me?  
Will you hold me?  
In Your arms & let me sing

Verse 2

I have a vision, I have a dream  
I have a story, I have a wish  
I have a song, I have a Spirit  
I have a portion of some... I wanna give

Going through my mind  
Racing through my heart  
Ranging from the stars,  
Will you hold me when I cry?  
Lord!

Chorus 2:

Will You hear me?  
Will You save me?  
Will You hold me?  
In Your arms & set me free

Bridge:

I'm not strong  
On my own  
Days keep on passing,  
My future is drifting  
There's nowhere to turn to now

Lord!

Chorus Till Fade:

Will You hear me (Lord will You)

Will You save me (When I call on You)

Will You hold me (So close)

In Your arms & let me sing
