Dizzy Wright :
nigga im lifted and feeling gifted
accepted a mission
with some consequences
i be dealing with these
shady pretenders
ladies inventors
basically all theses daily dilemmas
my weed good
so my mood changing
flying all over these room
shit im Lu ganging
feeling better than you
but i got nothing to prove
playa
im independent
but them hylife niggas to major
you sit at home after a long day
roll up your blunt
lit it in up
and handle the situation
how you doing your own way
i do the same
everybody smoke shit whos the blame
do you own hopefully do the same
get off your ass dont try to be someone who you aint
dont got cant in my vocabulary
iv been ready all these industry niggas acting scary
you wanted the real shit you finally got it
don't get me seeds in my whips in my knowledge shit i
finally got it
