Every block got cribs, even schools got blocks
Everywhere got essays, essays
With the wrong colors ear, you shine like a dearâ€¦
Heâ€™s in a gang, sheâ€™s in a gang
Pop up, show up by your bang bang, bang
Cry, cry, cry, for my generation
Only god knows!

[Wyclef Jean]

It ainâ€™t come, ya
It ainâ€™t come, ya

But I cry, cry, cry for my generation!

Chorus:

Every block got cribs, even schools got blocks
Everywhere got essays, essays
With the wrong colors ear, you shine like a dearâ€¦
Heâ€™s in a gang, sheâ€™s in a gang
Pop up, show up by your bang bang, bang
Cry, cry, cry, for my generation
Only god knows!
