[Verse 2: Skool Boy]

Boy (Bowh, Bowh, Bam)
Be a man to my theme song
Hit the club lookin' for a friend
Wit a big booty and with some leggings on
Rim a weed and she ain't done
Twerkin like she don't give a fuck
Baby girl lookin' super good
And that body's so (Booty big as fuck)
She ain't got no panties on
So when she walk that booty move
Damn flow, she killin' it
Like she graduated from stripper school
Shake what yo mama gave ya
Dat ass dirty it's a martimaine
I wanna be her man
Everytime I see her mama shake

[Chorus]

Go girl... (Go girl...)
[X4]

[Chorus: Skool Boy]

Girl keep doin' yo dance
Girl keep doin' yo dance
Left cheek, right cheek
Left cheek, right cheek
Girl keep doin' yo dance

Girl keep doin' yo dance
Girl keep doin' yo dance
Hands on yo knees baby
Girl keep doin' yo dance (Okay)

[Verse 3: Don Trip]

She tell up that she likes me
She only listens to Mike T
I'm a fly guy wit a white girl
On some pimp shit like iced tea
Yeah that's right, I got game
And got mo' J's than Spike Lee
And Jo shorts and a white B
To get mo' juice than a hot seat
I love money and I like freaks
And I make my money in lightspeed

Me and her and her homegirl
In that water like a Pices
She want a wedding ring
That's unlikely
I radda be struck by lightning
All I give her is tho D
And no wonder shawty got pipe dreams

[Chorus]

Go girl... (Nice)
Go girl... (Go girl...)
Go girl... (Go girl...)
Go girl... (Go girl...)

[Chorus: Skool Boy]

Girl keep doin' yo dance
Girl keep doin' yo dance
Left cheek, right cheek
Left cheek, right cheek
Girl keep doin' yo dance

Girl keep doin' yo dance
Girl keep doin' yo dance
Hands on yo knees baby
Girl keep doin' yo dance
