Down 4 da count

By; dj mtid

You constantly beat me into the ground

I'm constantly lost and rarely found

When I turn my back on him I feel like I'm down for
da count

I feel like I'm losing dis fight I fight with all my
might but I still can't see da light my life is covered
in darkness and I feel so heartless instead of god I live
for dis world I feel like this world is beating me down
pound for pound AND ROUND FOR ROUND

So you constantly beat me into da ground I'm
constantly lost and rarely found when I turn my back on
him like sonny Liston I'm down for da count

I still be losin dis fight and I don't know what to do
all of a sudden out of nowhere sin comes in and clocks
me with a nasty right hook I'm on the ground feelin
like I got hit with a text book I was knocked down as my
vision blurs I hear da ref countin just then I had a flash
back I was prayin when my manager said yo man you
wack the count was just about at 9 I realized I HAD
NOTHING I COULD DO BUT TO CALL ON GOD THEN LIKE
A RIBBON MY SIN WAS UNFURLED

I SAW GOD Come DOWN AND BEAT SATAN POUND FOR
POUND AND ROUND FOR ROUND

WAIT THE MOMENTUM STOPPED FOR A SECOND I
Thought SATAN GOT ROCKED but he was still on his
feet but I thought he was beat but I realized something
I left god halfway locked out god gets hit by Satan and
is downed I get fully surrendered right at that moment
and Satan laughs in gods face and says is that all you
got then right at the count of three god rises backup
and clocks Satan with a hard shot like a cinderblock
hear the ref count and I hear 10 that's it its over
gods title still remains as the world heavenly weight
champion
