Ask me 4 anything
Id give you every thing
Anything money could buy
Then you'd know I was real
And I could never squeal
On any one any time
Cause your the only one
I'm ever thinkin' of
Whenever I have a thought
And before you can go
Id like to let you know
You'll always be in my heart
Id scope the land
With a blue velvet hand
Before anyone could speak a word
And with you by my side
I just know I'd survive
Threw anything ever heard
Cause when I'm near to you
I'm never feelin' blue
Like I am right now
I need your face oh girl
I need you in my world
Please don't leave me now
