Saturday night on the town  
That's the night i'm gettin' down  
With my boogey-oogey shoes  
On the move, i'm gettin' loose  
Everyone I know wants to be the same,  
Everyone I know acts so lame.  
Everyone I meet wants to be a freak,  
Everyone I know, everyone I see.  
Pick me up, I'm feelin' down.  
Water's red & turnin' brown.  
Brown's the color of the sky.  
Gettin' high so I can fly.  
Everyone I know acts so the same,  
Every song I hear has the same refrain.  
Everyone I meet wants to be a freak,  
Everyone I know, everyone I see.
