"Let Me"

When you laugh, let me know you're the one I know;
The one I know so well.
And when you cry, I want to feel the pain inside;
The one I never can tell.
Please let me know, don't be afraid to let it go;
Into the wishing well.
If the moon blinds me like a space racoon;
I think that I might die.
And my last wish is to kill the poison prince and to
know;
That'll see you in hell.
Please let me know, don't be afraid to let it go;
Into the wishing well.
Please let the sky fall indiffererently inside or out;
Or I'll lose my mind.
