Shawn was messing around at the ball game
Started cracking jokes like a freight train
It was rebel gym a rusted rim
An then he got beat up by some hard core gansta
wanabees
When was found him he was laughing like a couch
Says he was dreaming about oscar the grouch
Got in the car an we drove off
Then he stared screaming like a flaming moth
Tore off his pants started flying around
Then he did a back flip an fell to the ground
Foam was coming out of his head
An we were all sure that Shawn was dead
But it was just a concussion
