[Hook: Future]

Iâ€™ll shoot a nigga for some ceelo
Iâ€™ll put your wifey in a trio
And I canâ€™t lie, it stoked my ego
And they done got me back in beast mode
I got some shooters and they ainâ€™t single
Iâ€™m out the country in my T-coat
And these bitches donâ€™t speak no Englo
All they wanna know is the lingo

[Verse 1: Future]

In the Matrix all like Iâ€™m Neo
I make movies like Al Pacino
I can wrap a girl like burritos
I go hella hard for them c-notes
They ainâ€™t never seen what we did, nigga
You canâ€™t get fingerprints off these triggers
Iâ€™m a guapaholic, Iâ€™m money-drunk
Death-defying, Iâ€™m livinâ€™ like Avatar
I done went to another planet
See my pockets they on gigantic
I take off like a rocket in Paris
I fuck bitches that donâ€™t mind sharinâ€™

[Hook]

[Verse 2: Wale]

They say Wale dope
They gonâ€™ say what they say, never to my face, no
And Iâ€™m runninâ€™ out of space to put all of my favorite
clothes
Took a niggaâ€™s favorite shoes â– took a niggaâ€™s
favorite store
I call the folk that made â€™em, foreign
These ladies trippinâ€™ â€¦
â€™Cause I buck a lot but I donâ€™t be datinâ€™ none of
â€™em
And I roll with niggas, go-to niggas, know they ainâ€™t as
friendly
And all my pieces wide receivers they all eatinâ€™
somethinâ€™
Wale, thoughâ€¦

And I make your ladies do my say-so
Iâ€™m just a nigga on the grind tryna make moves
Shine like a G, though
Rhyme bully, my mob goodie, shout-out to Cee Lo

[Hook]

[Verse 3: Ludacris]

Okay, my name is Ludacris and beast mode is what
Iâ€™m known for
Iâ€™m what they need to get Barack Obama on the
phone for
Illegal alien â– workinâ€™ like a Mexican
Bought a Bugatti and joined forces with the
Decepticons
Got so many styles that I donâ€™t even know what
Iâ€™mma do,
But I be killinâ€™ every verse
Make it worth your while, Cadillac style,
But Iâ€™ll put your favorite rapper in a hearse
Throw him in the grave and write â–“pussyâ–” on his
tombstone
Kidnap his family, make â–em listen to this new song
DJ Screaminâ€™- partners triple-beaminâ€™
Eight-figure nigga, bitches fightinâ€™ for my semen
Sparta, 300, Leonidas to you fuck boys
Shootinâ€™ three dice with three dykes â– whatâ€™s good,
boys?
