### VERSE 1

Looking perfect  
Lighting candles in the rain  
She lights my heart in flames.  
Feeling fragile,  
Touched by your love she will stay  
If you promise not to break  
The game.

### BRIDGE

It doesn't matter what I do  
She will break my heart in two  
It doesn't matter what I do  
She will stay in love with you.  
(she will break your heart in two,  
She will break your heart in three.)

### CHORUS

It doesn't matter what I do  
She will break your heart in two  
Because she has found you.  
Loving right or loving good,  
He won't love you like I do  
Because my love equals two.

### VERSE 2

She is evil,  
Whispered softly, said my name  
Then took my love and ran away.  
Moving softly,  
Sipping vodka and champagne,  
The DJ put his song to play.

### BRIDGE

It doesn't matter what I do  
She will break my heart in two  
It doesn't matter what I do  
She will stay in love with you.  
(she will break your heart in two,  
She will break your heart in three.)

### CHORUS

It donâ€™t matter what I do  
She will break your heart in two  
Because she has found you.  
Loving right or loving good,  
He wonâ€™t love you like I do  
Because my love equals two.
