When I received your letter, you were down and out,
you say

At first I thought I would tell you, just to travel on the
other way

But in my memory lingers, all you once were to me
And I'm going to give you another chance to prove
what you can be

Any old time, you want to come back home
Just write me a line and say no more you'll roam
You'll have your chance to play the game fair
When you left me, sweetheart, you only left a load of
care

Now that you're down, I'm going to stick by you
If you'll only say that your roaming days are through
You'll find me here like the day you left me alone
Any old time, you want to come back home

Now that you're down, I'm going to stick by you
If you'll only say that your roaming days are through
And you'll find me here like the day you left me alone
Any old time, you want to come back home
