Sniffin that cocaine all over town
Honey don't you let my deal go down
Hey hey buddy let that cocaine be
Strutin down the field walkin on main
Tryin to find a nickel to buy cocaine
Hey hey buddy let the cocaine be

Tell it to me tell it to me
Drink corn liquor let that cocaine be
Hey hey buddy let that cocaine be
Tell it to me tell it to me drink corn liquor
And let that cocaine be
Hey hey let the cocaine be

Well i don't what I'm gonna do
Its killing my friends its gonna kill me too
Hey hey buddy let the cocaine be
Made for horse not for men
The doc said it'll kill me but he don't know when
Hey hey let that cocaine be

Chorus

Now some of you rounders think you're tough
Dipping that cocaine just like snuff
Hey hey buddy let that cocaine be
It'll burn out your face
Make your nose turn red
That damn old cocaine'll kill you dead
Hey hey buddy let that cocaine be

Chorus
