I met you on the corner, we were at a party.
I was skateboarding, you really liked my shirt...
You get me, so high.
I want to make jazz
You get me, so high.
I want to f***.
We went to McDonalds(r), You got a cheeseburger.
And an order of fries, then we got drunk and made-
out....
You get me, so high.
I want to make jazz
You get me, so high.
I want to jellyroll.
Masterbating under the sheets, hamburgers and beets.
Anal sex on the counter-top, tea-baggin' a feezie after
smoking pot....
You get me, so high.
I want to make jazz
You get me, so high.
I want to f***.
