When I run up the phone bill without any shoes  
I gotta confess it gives me the blues  
Like a down home turkey with out a soul  
Blowin' on a trumpet in an old folks home  
Bobcat stuck up in a tree  
Sittin' on the sofa watchin' Mac an me  
Bottle rockets  
Cops an robbers  
Robin hood  
Stealin' flounders  
Naked on the beach an I bust a move  
The sand in my crouch makes me kick a groove  
Every one around me when I cut the cheese  
Put it on a cracker up my sleeve  
Rip threw space  
Smash my face  
Ginger's locked in my suit case
