All I Want Is You

I want Candles and Egg Nog and Mistletoe

I'm comin' home to you my baby

(to spend my Christmas with you)

Gonna give it all to you my baby

All I Want Is You

(Verse 1)

Don't need a pen and paper

to write down my wishlist

Cuz this year I'm gonna be Santa Claus

and give you all your wishes

I'm gonna be more forgiving

I'm gonna be way more giving

I'm gonna cherish every single moment that

we're living

Yea i told myself that I'm gonna give Love

And that's why this Christmas

(Chorus)

Yea All I Want Is You

Do wop wop x4 Wooo x4

Oh All I Want Is You

Do wop wop x4 Wooo x4

All I Want Is You
