[Intro]

Yo girl got a cute face,
her friend got a nice body
They just wanna have fun,
this my type of party
20 bitches in the lobby, it's plenty bitches in the lobby
They all drinking, they smoking, this my type of party
My car, just push to start it, but I don't even wanna start
it
These Versace shades is retarded
I can buy yo apartment
I'm buying out the department,
it's change in all the compartments
Switch lanes on niggas in Chargers,
switch chains on niggas, went hard
I hang with niggas on the Dodgers,
I hang with niggas that'll rob ya
I came with hoes and they squobbing, so you don't
want no problems
You don't want no problems, you don't want no
problems
You don't want no problems, you don't want no
problems
Yo girl got a cute face,
her friend got a nice body
They just wanna have fun, this my type of party
20 bitches in the lobby, it's plenty bitches in the lobby
They all drinking, they smoking, this my type
of party
This my type of party
This my type of party
Make money like Oprah
do it big like I'm Sosa
Never drink King Cobra, getting head on the sofa
OPM, it's over, nobody is colder
You niggas sniffing that coca
I don't even drink soda
Niggas gotta live sober,
I wrote this blowing doja
Niggas know I'm a soldier
OPM 'til it's over
Phone by Motorola,

I fuck with honeys that's older
I got money that's older,
18 karat, that's golder
Interviews on the phoner,
living life like a stoner
You can hit I don't own it
money give me boner
My car look like a loaner,
I got hoes in Arizona
That got a college diploma
and my watch got pneumonia
