Say you ball; I'm a just share
Lock you down girl, I'm a do years
Pretty girl with the long hair
Where you been, what's over there?
Ugly girls stop and they stare
Its too bad, life it ain't fair
Drop it low like you don't care
What you got on, I like ya Nike airs
Buy me some I like a nice pair
Before 21 I could buy beer
Stayed down all of these years
I'm not home you calling me there
Headed to the top follow me there
Met her at her spot she swallowed me there
We the new clique tell all to beware
Niggas look hard I oughta be scared
You niggas look fraud I solemnly swear
To never be a lame shit all of me is player
All this game and all of these prayers
Keeps me away from all you squares
Thick, ass like you do stairs
Well done but I can do rare

Big ol ass, I fucked her bare

Spending all these stacks, tell her bring that pussy
