[Intro- BuGsi]

Yeah, whoo!

E-Kelly! Yo! Don Antoni-o! BuGsi on this Microphone,
listen up, yo!

[Hook- BuGsi]

I know, you know, I've got all it takes to set this
place ablaze.

It's known, quite known, I'm all it takes to set
this place

Ablaze now, they're dazed now, got 'em all
amazed now

in a maze, now I'm the dance hall king.

[Verse 1- Don Antonio]

I'm the superman, some call me super sam

Cos I save 'em from the hands of these racked-out
jams

I swim in the middle of a dam, so be careful, man

I can incinerate a woman with her lover man.

This is from me to you; you all know what to do

Scream ma name, let my enemies see ma fame

Insane they are, they know not what they are

Cos I'm the ruler- Dracula ain't cooler, not
crueler

[Hook- BuGsi]

I know, you know, I've got all it takes to set this
place ablaze.

It's known, quite known, I'm all it takes to set
this place

Ablaze now, they're dazed now, got 'em all
amazed now

In a maze, now I'm the dance hall king.

[Verse 2- BuGsi]

Okay! Yo people, guess who? It's B.U.G.S.I.!!!

Yeah, when I spit a little rap and I drop it on this
microphone

It ain't crap, oh no, it ain't like your own

Cos people clap, why? Cos they love ma tone

And there's a gap between me and amateurs

Like you, like you whoâ€™ ve got no I.Q.
Thatâ€™ s why Iâ€™ m above and I always psych you
Iâ€™ m B.U.G., believe you me,
BUGSI!!, yeah, thatâ€™ s me
Iâ€™ m boss of the mayors, everybody know that
players
Like me unbelievably go through all the layers
Like, Iâ€™ m the man, and again
Everybody knows that what Iâ€™ m sayinâ€™ ainâ€™ t
in vain
Cos, man Iâ€™ some call me Romeo, like Don Antonio
Cos when I drop this flow, everybodyâ€™ s gonna come
and start popping, Yo!

[Hook- BuGsi]

Blaze now, theyâ€™ re dazed now, got â€™em all
amazed now
In a maze, now Iâ€™ m the dance hall king.

[Verse 3- Don Antonio]

Wait a second; Iâ€™ m not the second best
Iâ€™ m the funky best; Iâ€™ ve got you sucking on your
breast
You can pass the test if you are able to resist
The beast in me, if you insist I will unleash
The madness, cats are on the massive
Yâ€™ all call me the young father of the ball
I ainâ€™ t nonsense; Iâ€™ m the biggest chip off
importance,
You can see me here, we the pop- no cheap-offered
substance

[Hook- BuGsi]

I know, you know, Iâ€™ ve got all it takes to set this
place ablaze.
Itâ€™ s known, quite known, Iâ€™ m all it takes to set
this place
Ablaze now, theyâ€™ re dazed now, got â€™em all
amazed now
in a maze, now Iâ€™ m the dance hall king.
I know, you know, Iâ€™ ve got all it takes to set this
place ablaze.
Itâ€™ s known, quite known, Iâ€™ m all it takes to set
this place
Ablaze now, theyâ€™ re dazed now, got â€™em all
amazed now
in a maze, now Iâ€™ m the dance hall king.
