The music is my lifeline
The only thing that keeps me
In this sane state of mind
It makes my heart beat (heart beat)
It makes my blood flow (blood flow)
So if you're ready (so if you're ready)
If you're ready Here We Go!

The music is my lifeline
The only thing that keeps me
In this sane state of mind
It makes my heart beat
It makes this blood flow
Through these veins

This is the only thing that has
Ever felt right in my entire life
No matter if it's wrong or it's right
It's just the way I fell look into these eyes (look into
these eyes)
So find your muse and hold it tight
Maybe just maybe we can be your muse tonight
(tonight)

This is the only thing that has
Ever felt right in my entire life
No matter if it's wrong or it's right
This is the way I feel (here we go)

The music is my lifeline
The only thing that keeps me (here we go)
In this sane state of mind
It makes my heart beat
It makes this blood flow
Through these veins
Get the fuck up. Here we go. Now stop.
