"Express Yourself"

Visit "[Express Yourself](#)" on MotoLyrics.com

Yo, man... There's a lot of brothers out there flakin' and
perpetratin'™
But scared to kick reality.
Yo Dre, you've been doing all this dope producing.
You had a chance to show 'em what time it is...
So, what you want me to do?
Express Yourself...

I'm expressin' with my full capabilities,
And now I'm livin' in correctional facilities,
Cause some don't agree with how I do this.
I get straight, meditate like a Buddhist
I'm droppin' flava, my behaviour is hereditary,
But my technique is very necessary.
Blame it on Ice Cube... Because he says it gets funky
When you got a subject and a predicate.
Add it on a dope beat
And that'll make you think.
Some suckaz just tickle me pink
To my stomach. 'Cause they don't flow like this one.
You know what? I won't hesitate to dis one
Or two before I'm through.
So don't try to sing this!
Some drop science
Well I'm droppin' English.
Even if Yella
Makes it a-capella
I still express, yo, I don't smoke weed or assess
Cause it's known to give a brother brain damage
And brain damage on the mic don't manage
Nuthin'
But makin' a sucker and you equal.
Don't be another sequel...

Express Yourself...
Express Yourself...
Come on and do it...

Express Yourself...
Express Yourself...
Come on and do it...

Ice Cube, is not for the pop chart
So where should a brother like you start
expressin' yourself
My boy'll show you how
Yo Dre
What Up?
Drop English Right about
Now, gettin' back to the PG.
That's program, and it's easy.
Dre is back. Newjacks, I mean hollow,
Expressin' ain't their subject
Because they like to follow
The words, the style, the trend,
The records I spin.
Again and again and again
Yo, you on the other end.
Watch a brother playin' dope rhymes with no help.
There's no fessin' and guessin'
While I'm expressin' myself.
It's crazy to see people be
What society wants them to be. But not me!
Ruthless...
Is the way to go
They know.
Others say rhymes that fail
To be original.
Or they kill where the hip-hop starts,
Forget about the ghetto
And rap for the pop charts.
Some musicians curse at home
But scared to use profanity
When up on the microphone.
Yeah, they want reality.
But you won't hear none.
They rather exaggerate, a little fiction.
Some say no to drugs and take a stand,
But after the show they go lookin' for the dopeman.
Or they ban my group from the radio.
Hear NWA and say "Hell no!".
But you know it ain't all about wealth.
As long as you make a note to...

Express Yourself...
Express Yourself...
Come on and do it...

Express Yourself...
Express Yourself...
Come on and do it...

A lyricist

Yo Dre is the name for that makes somethin'™
dope on a record
That™ s what he came for
Kickin' reality understand himself but it's important that
you keep it in mind to...
Express Yourself...
From the heart.
Cause if you wanna start to move up the chart
Then expression is a big part of it.
You ain't efficient when you flow
You ain't swift, movin' like a tortoise.
Full of rigor mortis.
There's a little bit more to show
I got rhymes in my mind, embedded like an embryo.
Or a lesson - all of 'em expression
And if you start fessin' -
I got a Smith and Wesson
For you.
I might ignore your record
Because it has no bottom.
I get loose in the summer, winter, spring and autumn
It's Dre on the mic, gettin' physical.
Doin' the job
NWA is the lynch mob!
It's so macabre
But you know you need this.
And the knowledge is growin'
Just like a fetus, or a tumor.
But here's the rumor:
Dre is in the neighborhood
And he's up to no good.
When I start expressin' myself,
Yella, slam it!
Cause If I stay funky like this I'm doin' damage.
Or I'mma be too hyped,
And need a straight jacket.
I got knowledge and other suckers lack it.
So, when you see Dre, a DJ on the mic,
Ask what it's like.
It's like we gettin' hyped tonight.
Cause if I strike
It ain't for your good health.
But I won't strike if you just...

Express Yourself...
Express Yourself...
Come on and do it...

Express Yourself...
Express Yourself...
Come on and do it...

Express Yourself...
Come on and do it...
Come on and do it...
Come on and do it...
Come on and do it...
