Homeboy : godamn, now lick my balls, oh shit.  
Bitch : You like that?  
Homeboy : Put 'em off  
Bitch : It's good?  
Homeboy : Ouch, shit, godamn bitch you bit' my damn,  
shit I said suck the  
mothafucka, you're bitin' it, shit!  
Narrator : Has this ever happend to you?  
Does her teeth get in the way while she's sucking your  
dick?  
Does she know how to suck a dick?  
Well, I had that same problem until my bitch went out  
and buy  
NWA's new book entitled "The art of sucking dick".  
Bitch : Lesson 1 - First you grab the dick, next you  
gently lick it up  
and down, then insert it into the mouth. Take it slow,  
don't rush  
it, and before you know it ..  
SPLASH!  
Eazy E :

It goes one for the treble, two for the bass, She got nut  
all over her face  
Kick kick it ...  
Slow is the tempo, and Ren is gonna flow  
As I produce and illustrate you to a ho'  
Cought on the late night, Stampin' on the base-pipe  
She's a hype to get you on the late flight  
But back in school she was a cutie, yo  
Then after graduation started givin' up the booty  
In school, stuck her head in a feather  
Every time I asked her what's the time  
It was never ever what she would talk to the Ren I'm  
sayin'  
I wanted a date, she would'nt even be my friend  
But now in the 1990's, I'd be praying that the bitch don't  
find me  
'cause she's got a gang o' kidz knuckle-heads and all  
dirty  
And she's givin' pimp by a nigga that's 30  
I saw her hangin' in the alley

Raggin' to her friends how she's ho'in' in de valley  
All by herself, doin' on the whole strole  
Commin' back home late night with the bankrob  
You know a bitch like that makes me sick,  
But I've heard that she sucks a good dick

Chorus :

It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
"What do you want me to do with it?"  
Don't matter just don't bite it  
She swallowed it [yeaahh..]

At a high school dance -  
Me and the niggaz bailed in  
I saw her sittin' with her friends, With the clan,  
So sexy, thought she was all that  
She would'nt even look it up because we wore the black  
hat  
She was a stuck-up bitch on the public floor  
But an instant prostitute behind closed doorz  
On the streets she's a late night feature  
Walkin' home from school saw her suckin' a nigga'z  
dick, another bleacher  
She saw me and she ran and tried to hide her face  
But a bitch full of nut could'nt escape in the chase  
A disgrace, If I ever ever saw her  
There was'nt a nigga on the block  
Late at night not gettin' done  
So she begged me not to tell a soul  
Then I said of course 'cause my dick you it's harder  
than a telepole  
Then again it don't concern me  
'cause there's a slight chance if I fuck she might burn  
me  
And then I might have to shoot de ho'  
I mean checkin' with de quickness just to let her know  
But to prevent from gettin' sick -  
I would just prefer to let her come and suck my dick

Chorus :

It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
But does she suck a good dick?  
Don't matter just don't bite it  
She swallowed it [yeaahh..]

Now I was at a club on a late late sunday  
Peepin' at the bitches 'till the next day monday  
Had a couple of drinks, so I was feeling good  
And suddenly I saw this bitch who lives in my  
neighborhood  
She went to church every week so now I locked her  
She was at the end of the bar gettin' fucked up  
Back at the house she was bitch n' be ignorin'  
And when she start to talk the ho' was kinda borin'  
Yo, but now I got to dawn, see  
Now she's dancin' on the floor with a skirt and no  
panties on  
Shakin' that ass like a salt shaker  
I already got my plans -  
Just while I'm a take her to a room  
But yo I mean a rest room  
And stick my dick in her mouth like a wet broom  
So I grabbed her hand and she's with it  
Oh and when she turned sobber should'nt have had  
admit it  
So while she's dropped I'd better get it quick  
And see for myself if she sucks a good dick ..

Chorus :

It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
"What do you want me to do with it?"  
Don't matter just don't bite it  
Lick de big dick, baby, I wanna fuck this one  
It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
But does she suck a good dick?  
Don't matter just don't bite it  
She swallowed it  
"So there you have it - a job well done, but for now let  
me get back to what  
I was doing"  
She swallowed it .. She swallowed it ..  
Get it all baby, suck this dick, suck this dick for daddy  
suck this diiiiick  
oh, she swallowed it .. get it all, suck this dick for  
daddy ..

Hey mothafuck, I want you to suck Dre's dick,  
Then I want you to suck Yella dick  
You already sucked Ren's dick ..

YOU BOYZ ARE DISGUSTING!  
Just suck my dick bitch
