[Intro: The D.O.C.]  
L.A. L.A. L.A. L.A. L.A. L.A. L.A. L.A.  
L.A. L.A. L.A. L.A. L.A. L.A. L.A. L.A.  
L.A. L.A. L.A. L.A. L.A. L.A. L.A. L.A.  
L.A. is the place!

[Eazy-E]  
I'm not a renegade but you wish I would  
Just because I like to hang with boys in the hood

[Ron-De-Vu]  
Live in L.A. always chill on the west coast  
A Tilly Mogul got it close just I mean to boast

[Eazy-E]  
I said what's up, we'll be who riding on you  
Nick name Eazy-E, and I'm down with the crew  
You come talking that trash, we'll pull your card  
It's not the Bronx, it's L.A. but just as hard  
Don't get me wrong I like to brag on the city I own  
The Subway R-T-D, don't ride it alone  
You might have silly thoughts, that were insane  
But the city I'm from, let me explain

[Hook: Ron-De-Vu]  
In L.A. there things you do not do  
First of all, homeboy, don't mess with the crew  
You might have silly thoughts that were too soft  
But don't play it sweet, or get took off

[Chorus: All]  
Y'all know the time, it's time to get L  
We moved back to L.A. ~ Cal-I-forn-ia  
We moved back to L.A. ~ Cal-I-forn-ia  
We moved back to L.A. ~ Cal-I-forn-ia  
The city of angels.. Hollywood.. we love it

[Eazy-E]

I turned you on to the best females in the world  
I wish they all could be California girls  
Like the east where your girls wear too many coats  
Bring your clothesie, runny noiseie, with a sore throat  
That the girls in the south I cannot bust  
Because the girls are fly and down with us  
In the valley not the alley, misdemeanor not ball-ey  
Eazy-E that's me, always chill in Cali'  
Hollywood's a bit of beef, where the scene is raw  
Ohh yeah, the strip is a trip on South Crenshaw  
Don't get me wrong I like to brag on the city I own  
(Boy you walk do what?) don't walk alone

[Hook: Ron-De-Vu]

Because in L.A. there things you do not do  
First of all, homeboy, don't mess with the crew  
You might have silly thoughts that were too soft  
But don't play it sweet, or get took off

[The D.O.C.]

L.A. L.A. L.A. L.A. L.A. L.A. L.A. L.A.  
L.A. L.A. L.A. L.A. L.A. L.A. L.A. L.A.  
L.A. is the place!

Chill with the brothers who built the Old School ---> Ice-  
T

Get a.. get a.. get a little some of that.. BEAT BOX --->

Get get get a little some of that beat box --->

[Ron-De-Vu]

West coast style from L.A.  
Yes I gets mine, it's got to be that way  
It's sunny California that's where I be  
If you forgot homeboy I chill with E  
In the west I stand that's where you fall  
Fila wearing a punk goes snatching it all  
Rhyme by rhyme record by E  
In the city of angels, with a devil like me  
She's contaminated where the boys are hard  
And people like me don't perpetrate the fraud  
You want to mess around, you better get wise  
We'll find your butt, and cut you down to size

[Hook: Ron-De-Vu]

Because in L.A. there things you do not do  
First of all, homeboy, don't mess with the crew  
You might have silly thoughts that were too soft

But don't play it sweet, or get took off

[Chorus: All]

Y'all know the time, it's time to get L  
We moved back to L.A. ~ Cal-I-forn-ia  
We moved back to L.A. ~ Cal-I-forn-ia  
We moved back to L.A. ~ Cal-I-forn-ia  
City of angels.. Hollywood.. we love it

[Hook: Ron-De-Vu]

Because in L.A. there things you do not do  
First of all, homeboy, don't mess with the crew  
You might have silly thoughts that were too soft  
But don't play it sweet, or get took off
