Journey with me into the mind of a maniac
Doomed to be a killer since I came out the nut sack
I'm in a murderous mind state with a heart full of terror
I see the Devil in the mirror, buck, buck, lights out
'Cause when I get my sawed off, niggaz get hauled off

Barrel one touches your motherfuckin' flesh
Barrel two shoots your fuckin' heart out your chest
You see I'm quick to let the hammer go click
On my Tec 9, so if you try to wreck mine, fool
It's your bad time

Feel the blast of the chocolate bomber
Infrared aimed at your head like your name was Sarah
Conner
Decapitatin', I ain't hesitatin' to put you in the funeral
home
With a bullet in your dome

I'm hot like lava, you got a problem?
I got a problem solver and his name is revolver
It's like a deadly game of freeze tag
I touch you with a 44 mag and you're frozen
inside a body bag

Nobody iller than this graveyard filler
Cap peeler 'cause I'm a natural born killa
Terror illustrates my era
Now I can't hang around my momma 'cause I scare her

I'm quick to blast, motherfucker
(Yeah, what's up?)
It feels like I'm bustin' a nut when I open you up
'Cause your body is exposed to the midnight mist
All you weak motherfuckers give my ring a kiss

'Cause I'm givin' dirt naps
Comin' with them bomb ass raps to make your lungs
collapse
Perhaps, you never sleep 'cause every time you doze
You catch blows to the motherfuckin' nose

Ain't seen the sun in 66 days
Let me count the ways in a fucked up maze
I never ever, ever made a ho stay
But I'm down with Dre like A.C. is down with O.J.

So fuck how you're livin'
I'm the unforgivin' psycho drivin' murderera
It's authentic, don't panic, I can't stand it, goddamn it
Schizophrenic, so fuck Charlie Manson
I'll snatch him out of his truck
Hit 'em with a brick and I'm dancin'

Mass murderer, natural born killa
And I don't wanna die
I don't wanna die
I don't wanna, I don't wanna die

I don't understand the logic in my dreams
But I understand I like the sound of sirens
Terrified screams from the streams of Strychnine
Dumpin' on any motherfucker tryin' to trick mine

'Cause motherfuckers wanna violate
Now they stiff and cold and they pupils won't dilate
It's so much pain, migraine headache
I can hear his bones break

He steps in the single door
Gets his ass whipped with 20 lashes
Like that dude up in Singapore
So I'ma pull a fuckin' Jeffrey Dahmer
Now I'm suicidal just like Nirvana

Tic, toc, toc, tic, toc, tic
Dr. Dre and Ice Cube on some murderous shit
Keepin' niggaz in order, makin' their life shorter
Ready to slaughter 'cause, to me, a life ain't worth a
quarter

Or a dime, mushroom's got my mind hallucinatin'
Ain't no debatin', I'm creatin' an escape
Route to be out without a doubt
Scot free, so don't even think about tryin' to stop me
'Cause I can't wait, I'm out the gate on the for realla
A thrilla or a natural born killa

Gigi, gigi, gaga, they call me 'Dada'
6 million ways to murder, choose one, lose one
Soul bodies turn cold
Natural fright from niggaz goin' bump in the night

Should I peel her, should I kill her?
Am I iller than a natural born killa?
Should I peel her, should I kill her?
Am I iller than a natural born killa?
Should I peel her, should I kill her?
Am I iller than a natural born killa?
