[Intro: Vocoder Box sound by Egyptian Lover]

Panic Zone, don't get your girl in here

A way out in here, a way out in here

A way out in here, a way out in here

A way out in here, a way out in here

A way out in here, a way out in here

Panic Zone, don't get your girl in here

Panic Zone, don't get your girl in here

Panic Zone, don't get your girl

[Verse One: Arabian Prince]

It's called the Panic Zone

(The Panic Zone!) that's right the Panic Zone

Some people call it torture, but it's where we call home

(We are the renegades of this territory, and you're the prey)

I'm the Arabian Prince (and we're N.W.A.)

Don't interfere with the sound you here

Cause it's a dangerous groove

I'm in control of your mind and soul

Don't be afraid, just bust the moves

So out your home, you're on your own

in the land of the unknown

It's the darkside, the dirty-side

It's called the Panic Zone

[Interlude: Dr. Dre]

Do not attempt to adjust your radio; there is nothing wrong

The underworld is taking control

We're not only in dimension of sight and sound but of mind

There's a sign posted up in here, and it reads the Panic zone

[Verse Two: Arabian Prince]

Now the party is at the peek  
Co we suggest you move your feet  
N.W.A. create the groove, and Dr. Dre creates the beat  
So if you got the juice, and your feeling loose  
Let the music take your mind  
The Prince is here, don't interfere  
Our world is one of a kind  
This place is called the west, west-Coast of the USA  
The Panic Zone's homebase, in a place we call L.A.  
So ladies, all the ladies, if your all alone  
Just call Arabian Prince, in the Panic zone  
Pa-pa-panic zone

[Hook: Vocoder Box sound by Egyptian Lover]

A way out in here, a way out in here  
A way out in here, a way out in here  
A way out in here, a way out in here  
A way out in here, a way out in here
