Real Niggaz Don't Die

I'm a muthafucking nigga wit an attitude(4x)

(Dr Dre)

I got a case of spitting in a muthafukers face
So me and my ace we got a taste
Of a muthafukers billy club he took his gun and
Put it to my head and said nigga start running
So tell me what's the next episode
Is he crazy, does he want to chase me and waste me
I thought run nigga run but I caught myself
Because my secondary thought was death
i get hit hard real but still muthafuker said
I want another black muthafuker dead
Niggaz ain't good for shit for me
'Cause this is a race fo second class
So get your ass up against the wall Bitch
And then he tried
They jumped me but the punk became a victim of a
Walkby
Fuking wit Dre, you get a foot up your asshole
It's just another way to let you know
I never said, I never said, I never said a buck
Can't fuck wit me
Real muthafucking G (Got that)
Straight from the streets of the CPT
Telling you why real niggaz don't die

(Chorus)

I just want to celebrate (2X)

(MC Ren)

Real niggaz don't die 'cause they eventually
Multiply
The niggaz I'm with, they take an eye for an eye
Because the times are so wrong, got to stay so
Strong
Niggaz got to keep going on and on
And don't let no pail face, they throw your ass in

A snail race
Have your residents occupying a jail space
That's what they want to do 'cause the system is
Fucked around
I try to let you know what the record it's
Underground
They don't give a fuk about a nigga
They would rather pull the trigger
And have you in front of a barrel smiling saying
Cheese
So nigga get smart and rebel back
I'm not wit that black just so I'm not gonna nail
That
All I see is niggaz getting harrass
We can't do nothing about it but get a foot in the
Ass
Yo, but a very nigga grabbed a nine
And started shooting muthafukers, it would put them
In line
And that's how it's suppose to be
When the pussy ass niggas try to fuk wit me
Yo because it's useless to try
To kill a nigga cause nigga a muthafucking real
Nigga don't die

Chorus

I'm a muthafucking nigga wit an attitude

(Eazy-E)

Only the good die young, so they make me young and
Bad
Putting ass kickings on the niggaz that never had
So I guess that makes me tough shit
Straight up gangsta, wrong nigga to fuk wit
So how can a nigga die when he's causing the
Bloodshed
By shooting muthafukas in the head
Trying to make a nigga extinct because they fear me
But never want to hear me
So I'm a let 'em know how a nigga's living
Checking for muthafukas cause nobody ain't giving a
Damn thing
To a nigga, a real nigga
So I'm living by the muthafucking trigger
Cause a nigga ain't afraid of being locked up
I'm out of luck, so why should I give a fuck
But they still want to try
To kill a nigga like me but muthafucking real niggaz
Don't die

Chorus
