She Swallowed It

Lesson 2 : Gently place the balls into the mouth

And ..

HAMMMMMMMMMMMMMMMMMMM..

get it all baby ..

get it all baby ..

get it all baby ..

"what you want me to do with it?"

don't matter just don't bite it

she swallowed it ..

suck this dick for daddy

she swallowed it ..

usin' that lips

she swallowed it ..

it's the world's biggest dick

"what do you want me to do with it?"

don't matter just don't bite it

Slow is the tempo

Now talkin' about a nympho

So peep it up here goes the info

This is the bitch who did the whole crew

She did it so much we'd make bets on who's the ho's

We'd love to go through

And for the shit that she does give her a drum role

Because the dumb bitch licks out the asshole

And'll let you video tape her

And if you got a gang of niggaz, the bitch would

Let you rape her

She likes suckin' on dicks, and lickin' up nut

And she even take de broomstick at the butt

Just to say that she did it with a rapper

But the pussy was more fishy than red snapper

"But how many licks would it take" She asked

"To make MC Ren start gooshin' up vanilla shake"

She took her tongue out her mouth, put it on top

Like a cherry, started movin' it like a snake and

It was very Irresistable

I could'nt pay the bitch to quit

Cuz the ho' was doin' some ole' crazy shit

That made me start havin' a fit'  
Cuz the bitch sucks de hellified dick .. [suck this  
Dick]

"It's the world's biggest dick"  
Don't matter just don't bite it  
"It's the world's biggest dick"  
Don't matter just don't bite it  
"What do you want me to do with it?"  
Don't matter just don't bite it  
She swallowed it .. Get it all baby!

Now one night night I was at a drive-in  
And a car full of niggaz straight drove in  
I thought they wuz commin' to start trouble but no  
Five niggaz in a bucket with de neighborhood ho'  
Now what do you expect they're gonna dogg her like  
A doggy  
Thirty minutes later and the windowz are all foggy  
And I was in my car havin' a fit' cuz de bitch that  
I'm with  
Sayz no fuckin' on the 1st date shit  
Now I'm like - Damn! I wish I was in the bucket  
To be with 6th nigga with the ho' and I can fuck it  
So I told de bitch I was with that I'm goin' to de  
Snack bar -  
And got de fuck out de car.  
Went to the bucket and I looked through the window  
It was some niggaz that I knew they let me in yo  
And my turn was like next  
I could'nt see a face, all I saw was de pussy and  
The chest  
I wanted to see the face, I felt the order  
Peep over the seat - OH SHIT! it's the preacher's  
Doughter!  
And she's only 14 and a ho'  
But the bitch sucks dick like a specialized pro  
She looked at me, I was surprised  
But was it passin' up the chance of my dick gettin'  
Baptised  
I told the bitch to do it quick :  
"You little ho' hurry up and suck my dick!"

"It's the world's biggest dick"  
Don't matter just don't bite it  
"It's the world's biggest dick"  
Don't matter just don't bite it  
"What do you want me to do with it?"  
Don't matter just don't bite it  
She swallowed it .. Get it all baby!

Now I'm a break it down with a fact -  
Since the last "Just don't bite it" girls don't  
Know how to act  
Sayin' that they never would suck a dick  
But when they've tried it they could'nt quit  
Cuz ninty percent of ' the bitches today they love  
The shit  
And those are the main one's that say they don't do  
It  
But MC Ren knowz the bitches are used to it  
So fellows, next time they try to tell a lie  
That they never suck a dick punch the bitch in the  
Eye  
And then the ho' will fall to the ground  
Then you'll open up her mouth -  
Put your dick in and move the shit around  
And she'll catch on and start doin' it on her own  
Actin' like she's tryin' to suck a meet off a  
Chicken bone  
And then she won't let go  
Because bitches suck nutt out of a dick just like  
Dreino  
Get the last drop, unclogging the pipe  
Then the stupid bitch is at that with the same shit  
De next night  
Because she just can't quit  
Cuz she's addicted, addicted, addicted, addicted  
she's addicted, addicted, she's addicted to suck a  
Good dick
