Sometimes I wake up with a sadness  
Other days it feels like madness  
Oh! What would I do without you?

When colors turn shades of grey  
With the weight of the world at the end of the day  
Oh! What would I do without you?

A decade goes by without a warning  
And there is still a kindness in your eyes  
Amidst the questions and the worries  
A peace of mind always takes me by surprise

I feel like I am walking with eyes as blind  
As a man without a lanyard in a coal mine  
Oh! What would I do without you?

My imagination gets the best of me  
And I am trying to hide lost at sea  
Oh! What would I do without you?

The difference between what I have said and done  
And you're still standing by my side  
A guilty soul and a worried mind  
I will never make you if I am on my own

So you got the morning and I got midnight  
You are patient, I am always on time  
Oh! What would I do without you?

You got your sunshine, I got rain-clouds  
You got hope, I got my doubts  
Oh! What would I do without you?

Oh! What would I do without you?  
Oh! What would I do without you?
