Sometimes I wake up with the sadness
Other days it feels like madness
Oh what would I do without you?
When colours turn to shades of grey
With the weight of the world at the end of the day
Oh what would I do without you?
A decade goes by without a warning
And there's still the kindness in your eyes
And it's the questions and the worries
A piece of mind, always takes me by surprise.
I feel like I'm walking with eyes as blind
As a man without a Lenard in a cold mind
Oh what would I do without you?
My imagination gets the best of me
And I'm trying to hide lost at sea
Oh what would I do without you?
The difference between what we said and done
And you're still standing by my side
A guilty soul and a worried mind
I will never make you, if I'm on my own
See you've got the morning, I've got midnight
You are patience I'm always on time
Oh what would I do without you?
You've got your sunshine, I've got rainclouds
You've got hope, I've got my doubts
Oh what would I do without you?
Oh what would I do without you?
Oh what would I do without you?
