I was at the top
It's like I'm in the basement
Number one spot
He's finding a replacement

I swear now I can't take it
Knowing somebody's got my baby
And now you ain't around baby I can't think

Should've put it down
Should've got that ring
I can still feel it in the air
See your pretty face
Run my fingers through your hair

I was thinking about you
Thinking bout me
Thinking bout us
What we goin be
I realize
It was only just a dream ..

So I travel back
Down that road
Will you come back
No one knows
I realize
It was only just a dream ..

If you ever love somebody put your hands up
If you ever love somebody put your hands up
Now they're gone and you're wishing you could give
them everything

Oooooooooohh ...

Thinking bout me
Thinking bout us
What we goin be
Open my eyes
It was only just a dream

So I travel back
Down that road
Will you come back
No one knows
I realize
It was only just a dream ..
