Here I am looking back again
Can't seem to finish what I start
Revisions of progress, disturbing my heart
Another empty page is turned
Another lesson failed to learn
And one more gets by me, if I sink lower I will drown

I know I can't stop this
It is beyond me
And I don't want to lose this
It has become me...shaded in sound

Here I am looking back again
Can't seem to finish what I start
Revisions of progress, disturbing my heart
Another empty page is turned
Another lesson failed to learn
And one more gets by me, if I sink lower I will drown

And I know I can't stop this (I'm not enough)
It is beyond me (reaching far above)
And I don't want to lose this (no not again)
It has become me...shaded in sound
