I used to be in love
But not anymore
I used to hope so
Cause I'm trying so hard
To get over you

Oh, I just want this to fade
Oh, I just want this to fade...

Can you hear me calling ?
Can you hear me calling ?
I can hear them calling
I can hear them calling
Can you hear me calling ?
Can you hear me calling ?
I can hear them calling
Let it go

Let go, let go
Let the real me come out
So now I gotta let go, let go
I just gotta breathe
Gotta be myself again

Oh I'm so tired of you
Tired of you
Don't wanna be with you
Again

I wanna stand on my feet again

And stop leaning on feelings
Stop leaning on feelings
They were never real
Oh, they were never real
I can hear them calling
I can hear them calling

Let go, let go
Let the real me come out
So now I gotta let go, let go
I just gotta breathe

Gotta be myself again

Let this go
Let this go
Let it go
Let you go...

Let go, let go
Let the real me come out
So now I gotta let go, let go
I just gotta breathe
Gotta be myself again
Let go, let go
Let the real me come out
So now I gotta let go, let go
I just gotta breathe...

Let you go...
